TO WHOM IT MAY CONCERN:

This note will serve to introduce Mr. Kiyotsugu Tsuchiya who has been a resident of Manzanar for the past three years and whose record has been examined and approved by the Western Defense Command of the United States Army.

Before coming to Manzanar, Mr. Tsuchiya was connected with museums and he is an expert on certain types of antiques. While in Manzanar he was the director of our museum and performed most useful and creative services which were of great importance and benefit to the Center both in education and Public Relations. In addition to this, Mr. Tsuchiya has served in our Relocation Office and as an interpreter for the Army Hearing Boards.

I have the highest respect and confidence in Mr. Tsuchiya and ask that any courtesy which he may require will be given to him.

Very truly yours,

Ralph P. Merritt
Project Director
